### OFFICE OF THE EXCISE COMMISSIONER AND CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 8th November 1949.

To

The Secretary to the Government of
His Highness The Maharaja of Mysore,
General Department, Bangalore.

Sir,

*Subject*:—Notice of change dated 19th April 1949, given by the President, the Shimoga District Automobile Workers' Association, Shimoga, to the Managing Director, the Central Karnataka Motor Services, Ltd., Shimoga *re*:—the discharge of one Mr. M. K. Pillai from service from 4th August 1947.

**No. C.C. 36-48-49.** The conciliation in the above case was conducted by me at Bangalore to-day. The notice states that the Memo intimating the termination of the services of Sri M. K. Pillai by the Management was irregular and demands the reinstatement of the employee to his original post with past service, increments and pay with same scale and also his salary from the date of his unemployment till the date of his reinstatement. The Assistant Commissioner of Labour, Bhadravati Division, who tried to bring about a settlement between the parties, not being successful, the Commissioner of Labour in Mysore referred the dispute to me for initiating conciliation proceedings. Sri K. T. Shamagowda, Managing Director of the Company appeared on behalf of the Management. The Labour Association was represented by their President Sri M. R. Lakshmiah and Secretary Sri M. K. Pillai.

On 4th August 1947, Managing Director of the Company issued a Memo discharing Sri M. K. Pillai, Employee of Shimoga-Harrihar Line Combined Motor Service from service with effect from that day, *viz.*, 4th August 1947. His case was taken up by the Labour Association of which he is a member and issued a Notice of Change to the Managint Director for the re-instatement to his original post and pags service and the payment of wages, etc., from the date of termination of his services to the date of re-instatement.

Before me the Labour Association representatives contended that the memo of termination did not give the reasons for the termination of services of this employee, and was arbitrary and did not conform to the provisions of the Labour Act and Rules and hence the Management was bound to accept the demand and carry it out. The Management on their side pointed out that (1) Harihar Combined Service was not working at present, (2) when the Management took action there was no Registered Association, (3) the Association cannot take up the cause of persons against whom action was taken before the Association came into existence, and (4) finally the matter had already been taken to the Court by the other side where it had already been decided and as such the Management was not prepared to go into the question once again. Under the circumstances, the result was a failure of the conciliation proceedings and I make this report under Section 12 (4) of the Mysore Labour Act.

MOHAMED ISMAIL SHERIFF,
*Chief Conciliator.*

### LAW SECRETARIAT

Dated 22nd November 1949.

*Subject*:—Constituting an Advisory Committee for the Sri Sringeri Mutt.

**No. R. 4628—Muz. 7-48-22.** After the Government resumed the manag ment of the Sringeri Jahgir, His Holiness the Senior Swamigalu of the Sri Sringeri Mutt was, as desired by him, given a free hand in the management of all internal affairs of the Mutt, the Patasala and the Temples, the officer in-charge being asked to work under him and take orders. This arrangement has been in force from November 1938.

Representations are, however, being made to Government for sometime past that in view of the indifferent health of the Sri Senior Swamigalu of Sri Sringeri Mutt, he is not in a position to devote much attention to the internal affairs of the Mutt, and that in the interest of the Mutt, a Committee of responsible persons interested in the well-being of the Mutt should be constituted to advise the officer-in-charge in the management of all the internal affairs of the Mutt, the Patasala, Temples and Anna Chattram.

Government propose to constitute a small Advisory Committee consisting of very respectable gentlemen who are sincere devotees of the Mutt The Committee will advise the officer-in-charge in respect of all internal affairs of the Mutt, the Patasala, Temples and Anna Chattram, and the officer-in-charge will respect this advice as far as possible.
